

Dear Suzanne and Jennifer,

I wanted to let you know that I did receive the copy of *Fossil Treasures of the Anza-Borrego Desert* and I will be posting a review of it to Travels in San Diego within the next few weeks. I'll let you know when I do.

In the meantime, I just wrote about the new Marshal South website, which I think looks terrific! You can find that at

<http://www.sandiegoinsidertours.com/blog/index.php/2009/06/13/marshall-south-online/>

Best regards,
Jeannette
